Staff Representatives 2019/20

Staff representatives play a crucial role in our schools and our unit. Each work location needs to have a staff representative. If there are two interested candidates there can be an election, or it could be shared. This is an excellent way to get involved with the association. No previous experience is necessary. Staff representatives must be declared in each location by June 14th. If you have questions please [email me](mailto:allyn.janicki@oectasimcoemuskoka.on.ca) or call the unit office 705-722-0084.

Local Bargaining Committee

The unit is looking for interested and engaged members to join the local bargaining committee. This committee will assist in determining local bargaining priorities. Duties may include:

- Plan, create and implement local bargaining survey and tabulate results
- Analyze survey results to determine themes, and concerns to inform local bargaining
- Examine Collective Agreement and identify areas for improvement
- Identify opportunities to improve language

Initial meetings will occur in the evening with the goal of having several meetings before the end of this school year. This committee is not the bargaining team, but the local bargaining team is derived from membership on this committee. Interested candidates can complete [this google form](#).
