**OECTA Scholarship & Fellowship Application Deadline**

The deadline for submissions of applications for OECTA Scholarships and Fellowships is April 1, 2017.

Details about these awards can be found in the OECTA Handbook under By-laws 2.185 – 2.188 and Procedures 4.36 – 4.49.

Application forms can be found on the <http://www.catholicteachers.ca/> website in the “**For Your Benefit**” section. Copies of the application forms are also attached to this memo.

The April 1<sup>st</sup> deadline is firm and no applications submitted after that date will be considered by the Awards Committee.

**Canadian Forum on Theology and Education**

This year’s Canadian Forum on Theology and Education ([www.cfotae.ca](http://www.cfotae.ca)) will take place on March 31-April 1 in Oakville.

The independent conference began as far back as 1979, designed as an accessible, educational event that’s hosted many Catholic theologians and religious educators over the years. In 2017, the forum will be bringing Benedictine nun Teresa Forcades OSB from Catalonia, Spain to present on faith and freedom. Teresa was a student at Harvard Divinity School, a medical practitioner, feminist theologian, and fearless political commentator. Both the *BBC* and *Guardian* have described her as “the most dangerous” and “the most radical” nun in Europe. She’s also been described by her peers as a force of nature; brilliant, passionate and extraordinarily committed to the prophetic vision of Gospel justice and to Jesus the Christ.

A copy of the conference flyer is enclosed with further information, including registration details.
