

**Memo #37**

Date: May 30, 2018

To: OECTA Elementary Teachers

**Re: Black Out and PA Day; Report Card Responsibilities; Absent Teacher; New Student and Student Leaving**

---

**Black Out**

The Blackout period for this term is from **June 1st to June 7<sup>th</sup>** with Reports being due to the Principal on **June 8<sup>th</sup>**. Just a reminder that during this time frame, no Teacher will be required to attend **Board initiated** (central, regional or administrative school based) meetings/in-services. The Blackout Period dates are set well in advance – when the new school calendar is finalized – and presented in Memo #4 so they should be known when planning school-based meetings.

**June 1<sup>st</sup> PA Day**

The scheduled PA day scheduled for **Friday, June 1st**, and is to be used for the **sole purpose** of report card writing or preparations to enable you to write the report cards. There should be no other agenda items scheduled for this day, such as a stand-up meeting, or division meetings etc.

**Term Two - Report Card Responsibilities**

The following information has once again been provided for your reference. I have provided the outline of who is responsible for each role below. You will notice that proofreading and/or editing other teachers' report cards, is not listed as a Role or a Responsibility for Teachers. Please contact the Unit office if you have any concerns.

**PROCESS FOR TEACHERS:**

- Teacher accesses data file on-line
- Teacher writes reports and notifies Principal when they are complete
- Teacher sign/copy/distribute report cards

**ROLES AND RESPONSIBILITIES FOR TEACHERS:**

- Make corrections as required and print corrections
- Distribute report cards

**ROLES AND RESPONSIBILITIES FOR ADMINISTRATION:**

- Enters database information
- Manages report card administration within school
- Reviews report cards prior to distribution
- Arranges for printing of report cards
- Signs report cards.

## **PROCESS:**

1. Principal prepares database of: a) student data; b) teacher data
2. Principal or administration office designate (this is not a teacher) prints report cards for each class
3. Principal reviews report cards
4. Principal directs teacher to make corrections, as required, and to print corrected pages

## **Printing of Report Cards:**

Teachers should not be expected to print out copies for the Principal or Vice-Principal to review. However, teachers can be directed – once corrections are made – to print the corrected pages. With the new PaperCut System, teachers' access to photocopies should not be negatively affected by printing or copying of Report Cards.

## **Absent Teacher(s)**

When we have multiple teachers working in the same placement there are issues that may come up when report cards are being prepared.

### Situation 1:

When a teacher has been absent for an extended period of time, and a Long Term Occasional Teacher has been hired.

- When the teacher returns they should be receiving a copy of marks, assessments, comments for subjects and/or strands covered (ideally an electronic copy).
- OR LTO – if they have access to PowerTeacher – could input marks, comments for subjects and/or strands covered directly into the report card.

### Situation 2:

When you are going to be absent for an extended period of time and a Long Term Occasional Teacher needs to be hired.

- Provide the LTO with a copy of marks, assessments, comments for subjects and/or strands covered (ideally an electronic copy).
- OR – if you have access to PowerTeacher – you could input marks, comments for subjects and/or strands covered directly into the report card.

Ideally the principal should be communicating with the incoming and outgoing teacher(s) to remind them of their responsibilities as it applies to report cards.

## **New Student or a Student Leaving**

Please note that when a student leaves the school, the classroom teacher should be completing a report card as soon as possible that corresponds with the departure date. Students withdrawn on or after this date require a report card.
