Re: Technology Summit 2018

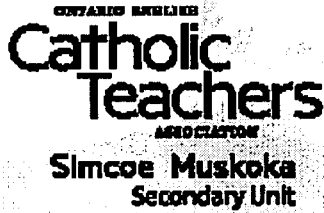

The Professional Development Department at OECTA is pleased to announce the second Technology Summit entitled, *"Get Your Head out of Your Apps 2: The Importance of Improvement and the Fallacy of Innovation"*. The summit is open to teachers from K-12, who self-identify as a Tech Rookie. Once again, the goal of this summit is to de-stress and de-mystify technology while discovering ways that technology can support and enhance both teaching and learning.

The Technology summit will take place, Thursday July 4 to Friday July 6, 2018 at the Sheraton Parkway Toronto North Hotel, in Richmond Hill.

If you are interested in attending - we have one Provincially sponsored delegate - Please complete the attached Conference Application form and return to the Unit office no later than Friday, May 18, 2018.
