Re: **OECTA - Simcoe Muskoka Annual Golf Tournament; Catherine Barker Memorial Award Nominations; Benefit Concerns**

OECTA - Simcoe Muskoka Annual Golf Tournament

The OECTA - Simcoe Muskoka Annual Golf Tournament – which is less tournament and more fun and socializing - is scheduled for Saturday, May 27, 2017, at Innisbrook Golf Course. We will be playing a Scramble (best ball) with a 1:00 p.m. start time. The cost is \$75 per player. This is a great event to spend a bit of time with your colleagues – at a small cost. You receive round of golf, cart, prize and dinner!

Benefit Concerns

Now that we have fully transitioned to the our OECTA Provincial Benefits (OTIP/Manulife), we at the Unit Office have been receiving some calls and emails around issues with reimbursement and denials – or partial denial - of claims.

We understand the frustration around these issues, in fact we have had some of the same issues. Part of the problem is that we are transitioning to a new plan, after spending several years with Sun Life, and the expectation that each insurance provider has the same policies and guidelines. For example, with Sun Life we could have multiple physiotherapy sessions at the same time. With Manulife, we still have unlimited coverage, but their Reasonable and Customary charge applies to a one-hour visit per day.

Please know that we are addressing your concerns with OTIP/Manulife through our Benefits Manager at OECTA Provincial.

If you have concerns, it is best to contact OTIP directly (1-866-783-6847 or online) and find out the specific reasons for a denial, or reimbursement concern, then, if you are not satisfied with the response, we suggest that you contact us. We will need your OTIP ID # along with the details.

If you have any concerns, please contact the Unit office at 705-733-9625 or 1-800-558-4815

Thank you for sharing this information with OECTA members.
