

Memo #20

Date: June 1, 2020

To: Simcoe Muskoka Catholic Elementary Teachers

Re: Second Round of Transfers; OTIP Information

Second Round of Transfers

The second round of job postings will be made available on June 3rd at the end of the day.

Available positions will be posted on Employee Connect within Job Postings. If you did not apply for a transfer in the first round – or you wish to modify your first-round choices – the application form will be available on Employee Connect within Forms, and available as a link within the job posting. (Please note that the transfer request form will not be available until June 3rd as well.)

Teachers will be able to apply for specific postings, and open – those that are not posted, but will come up as the transfer process moves along, and/or retirements come in after June 3rd.

Placement in the second round will be based upon qualifications and seniority. Therefore, if you are applying to a specific job posting, and you are the most senior qualified applicant, you will be placed in that position.

Transfer requests remain active until August 31st, unless you withdraw or modify your application with the Human Resources Department.

OTIP Information:

Why you need to tell your insurer if you install a roof rack or make other car modifications

Thinking about installing a roof rack on your car for bikes or skis, or modifying your vehicle in another way? Always inform your insurer before you make any changes to your vehicle. Modifications can impact your insurance if they alter the vehicle's safety, increase the likelihood of an accident or increase the value of the vehicle. Here are a few things you need to know about the various types of vehicle modifications.

10 tips for safe summer grilling

Many Canadians choose to take their cooking outdoors in the summer to make the most of the long days of sunshine. However, it's important to take precautions when barbecuing to prevent potential fire-related injuries and damage to your home. Before you light up the grill this summer, make sure to review the following grilling safety tips.
