Date: March 30, 2022

To: Simcoe Muskoka Catholic Elementary Teachers

Re: **Staff Assignment Process; Reminder: OECTA Retirement Workshop**

Staffing (Staffing Assignment Process: Transfers, Surplus and Redundant)

Reminder: March 31st is the last day for Teachers to submit Elementary School Staff Preference form to Principals to indicate their teaching preference(s) for the next school year.

Redundancy:

- Teachers declared redundant: will be notified no later than April 15th.
- Teachers declared redundant will not have recall rights to their home school.
- The Board and OECTA will be holding a Redundancy Meeting to review the process and member rights. Details to follow.
- Before any new hires:
 - Teachers that were declared redundant will be offered positions based on seniority and qualifications.

Surplus:

- Teachers declared surplus – including interim surplus – will be notified no later than April 15th.
 - Notification will be in the form of a **letter delivered (or emailed)** to the teacher from the principal and copied to the Union President.
- Those teachers declared surplus – **not interim surplus** – will be required to complete a Transfer Request Form
- Those teachers declared surplus – **not interim surplus** – and those teachers completing a Transfer Request Form will be placed together and ranked based on seniority and qualifications.
- Teachers declared surplus will have recall rights to their home school (school where you were declared surplus) and the school community for one year.

Interim Surplus:

- **Interim Surplus** – teachers hired after September 1, 2021. Those teachers will become surplus but won't be placed until the end of June.
- Interim Surplus will be placed – at the latest – by the second last instructional day in June (June 28th).

Surplus/Transfers Process:

- **Round One:** begins April 15th (approximately at 4:00 pm) and ends May 20th
- April 25th: last day to apply for Round One Postings
- In the first-round teachers can only choose from **posted positions**, as the positions that are created from filling of vacancies are posted in the second round (after reviewing and fulfilling recall rights and provisions).
- **Transfer Form will be available in google doc format.**
- Teachers do not have to fill out a form for each round of staffing. If you complete a form in round one, it remains active for round two – unless requested, by the members, to be withdrawn or modified. **Teachers wishing to be considered for the open transfer period should complete the Open Transfer Request (identifying preferred schools or locations) in the second round.**
- Teachers may choose to fill out a transfer form only for the second round
- Top three most senior and qualified applicants **will** be interviewed for the posted vacancy.

- **Please note:**
 - If you accept to be interviewed at a school, this implies you are willing to move to that position. There isn't an official offer, where you will be given a choice.
 - Teachers are not able to rank the positions they wish to apply
 - The Board will be choosing what position to begin the process

- **May 15th: Cross Panel Transfers.** These postings is a Secondary Panel transfer Round, so for any posted job, a qualified Secondary teacher would be considered before any Cross Panel Transfer. However, if Secondary is in a redundant position, Elementary teachers will not be able to apply to posted positions.

- **Round Two:** begins June 3rd and ends August 31st.
- June 10th: Last day to apply to Second Round Postings
- Both options – Posting Specific or Open Transfer – will be available in round two
 - Therefore, if you are wanting to transfer to a specific school, regardless of the grade placement, you should apply to OPEN (positions that will come up as other transfers occur).
- June 10th to August 31st filling of Second Round posted positions and any vacant positions created by a teacher transferring.
- Teachers that are surplus – **not interim surplus** – and those teachers requesting a transfer, will be placed by seniority and qualifications. **No interview!**
- **Please note:** If you identify a school or posting, and you are the most senior, and qualified, you **will** be placed in that vacancy.
 - Remaining openings will be sent to Interim Surplus, and they will provide a preferential list. They will be placed based on seniority (and qualifications).

- **Any teacher placed via transfer in round one, will not be allowed to apply for a second-round transfer. (19:12 Once a teacher has been placed in a position as a result of a transfer, they shall remain in that position for the duration of the next school year)**
- Transfers are still available and active until August 31st.
